ZEBU

Private Dining

The perfect marriage of local produce and the flavours of the Amalfi coast.

Zebu private dining is all about gathering together in a relaxed space with gorgeous views of the Hastings River.

We believe in sharing great food using an abundance of fresh local produce from both the land and the sea.

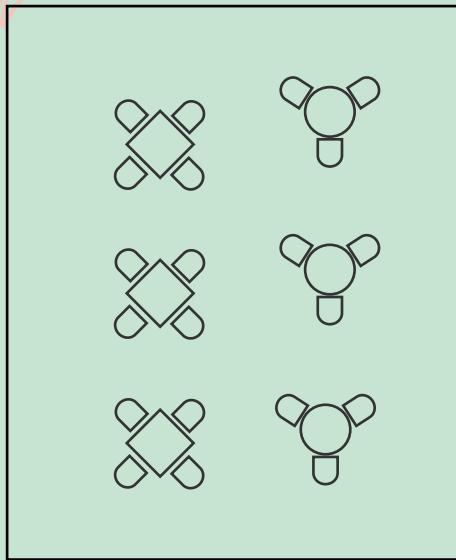

Our menus have been designed to share and enjoy as Italian families do to celebrate life, food and wine.

We consistently adapt our dishes to incorporate the very best seasonal produce to showcase all that is available on the mid-north coast.

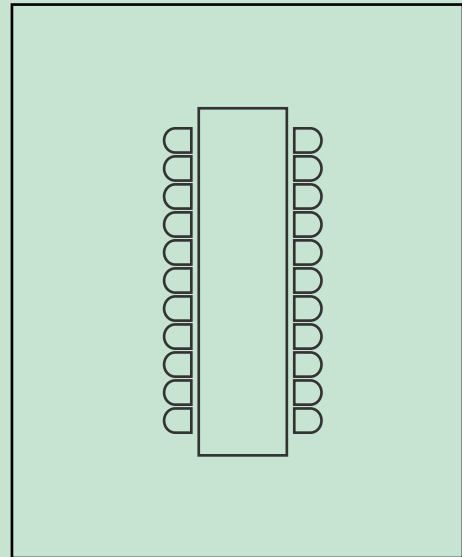

We offer rustic Italian style menus, bespoke plated options, and lush grazing stations that are perfect for casual get togethers.
